

10-7-20.5 Restrictions on municipality procurement of architect-engineer services.

- (1) As used in this section, "architect-engineer services" means those professional services within the scope of the practice of architecture as defined in Section 58-3a-102, or professional engineering as defined in Section 58-22-102.
- (2) When a municipality elects to obtain architect or engineering services by using a competitive procurement process and has provided public notice of its competitive procurement process:
 - (a) a higher education entity, or any part of one, may not submit a proposal in response to the municipality's competitive procurement process; and
 - (b) the municipality may not award a contract to perform the architect or engineering services solicited in the competitive procurement process to a higher education entity or any part of one.
